

Lions Sponsorship 2024

The Lions Club of Vienna St. Stephan awards

a sponsorship for € 4.000, -

to a PhD student of TU Wien.

Requirements

- inscription of a PhD study at TU Wien
- excellent achievements during the study career (bachelor, master)
- formulation of a thesis in the TUW Research Focal Area Energy and Environment

The funding serves the support for necessary expenses within the scope of the PhD study – in particular for **study trips** abroad, for the participation in national and international **scientific congresses** and for **scientific publications**.

Application and criteria

Submit your application directly at [Lions Sponsorship 2024](#).

Deadline: **February, 16th, 2024**

The submission documents have to contain:

- *motivation letter*, in particular the need for and use of the subsidies, as well as the objective
- *meaningful abstract* of maximum 2 pages with details about the scientific work with respect to the thesis:
 - working title, supervisor and institute
 - demonstration of the personal methodical contribution and the new aspects in the research work
 - information on the intended results and their use
- *Curriculum Vitae, University certificates, confirmation of enrolment and study sheet* of TU Wien
- *a detailed publication list* (SCI/non SCI)

Award of the Sponsorship

The submissions are examined by a jury with representatives of the Lions Club Wien St. Stephan and the TU Wien¹. The Prize Winner will be announced in March/April, 2024.

The payment to the Prize Winner is carried out by the TU Wien Service Unit Research Coordination against proof of the appropriate and tender-conform expenditures.

Vienna, January 2024

¹ The jury can refrain from awarding of a price if it comes to the conviction that no prize-worthy work is existent. No legal action can be taken against judgements and decisions of the jury.
