

Opening of a permanent positions at the  
Department of Geodesy and Geoinformation,  
Faculty of Mathematics and Geoinformation, TU Wien

### **Full Professorship in “Advanced Geodesy”**

The applicant is expected to have outstanding academic credentials and an excellent track record of scientific accomplishments in the field of Advanced Geodesy ("Höhere Geodäsie") focussing on global reference frames and modern space geodetic techniques. The successful candidate will be expected to make a significant contribution to the institute's research output, to provide leadership for researchers and postgraduate students and to undertake an appropriate teaching and administrative load. Special consideration will be given to the applicant's ability and willingness to establish collaborations with institutions working in related fields of research and the demonstrated ability to attract external project funding.

Knowledge of German is not a precondition; however we expect a successful candidate to acquire a working knowledge of German.

The applicant must meet the following requirements: academic degree in the respective field of the position, outstanding academic track record in research and teaching, administrative and organisational skills pedagogic and didactic skills, gender sensitivity, social skills and willingness to promote young scientists as well as leadership potential.

University professors belong to grade A1 of the Austrian Collective Agreement for University Staff and receive a minimum salary of EUR 67797,80 per year. A higher salary agreement commensurate with qualifications and relevant experience can be negotiated.

TU Wien is committed to increase the percentage of women in leading scientist positions. Qualified female applicants are explicitly encouraged to apply and will be given preference when equally qualified.

We explicitly encourage handicapped persons with appropriate qualifications to apply. In case of queries, please contact the handicapped persons officer of TU Wien (contact: Gerhard Neustätter [gerhard.neustaetter@tuwien.ac.at](mailto:gerhard.neustaetter@tuwien.ac.at)).

Applications including a detailed curriculum vitae, description of scientific objectives, list of publications and copies of the five most outstanding publications of the applicant should be sent to the Dean of the Faculty of Mathematics and Geoinformation, Wiedner Hauptstraße 8-10/E100, A-1040 Wien.

Hardcopy applications must include a CD-ROM or an USB-stick containing the entire application in a single pdf-file.

Online applications should be sent in a single pdf-file to [dekmug@tuwien.ac.at](mailto:dekmug@tuwien.ac.at).
