

Faculty of Architecture and Spatial Planning
Institute of Art and Design, E264, Research Unit of Three-Dimensional Design and Model Making, E2640-02

Student assistant

Support for artistic research project | 16 hours/week | limited to 5 months with possibility of extension.
Detailed information can be found on our job platform until the application deadline 07.07.2023.

Job opening

The 'Three-Dimensional Design and Model Making' Research Unit at the Institute of 'Art and Design' at Faculty of Architecture and Spatial Planning at the TU Wien is offering a position as a

Student Assistant

for supporting the arts-based research project "Trans-bodied Knowledge: Augmenting spatial perception through computationally fabricated haptic wearables" funded by the Austrian Science Fund (FWF). The position starts on September 15th, 2023 (or by agreement) for the duration of 5 months, with the possibility of extension, however, until the completion of the master's or diploma studies. The employment contract stipulates a base salary of € 952,10 gross per month (16 hours/week).

Your tasks:

- You contribute to the research project "Trans-bodied Knowledge" (FWF - PEEK programme) by supporting the core team.
- You work towards creating dissemination strategies for the project.
- You are responsible for graphic design tasks such as illustrative catalogue, website and pdf presentations related to the dissemination of the project.

Profile:

- You are enrolled in a relevant degree program in the field of graphic design, arts or architecture in Austria. No completed master's degree or diploma program in the field of study.
- You have a pronounced interest in the field of artistic research.
- You have very good knowledge in Graphics (Adobe: InDesign, Illustrator, Photoshop, AfterEffects)
- Knowledge in web design and social media is desirable.
- Knowledge in the field of CAD/CAAD (Rhinoceros 3D, Grasshopper 3D) is desirable.
- You have the ability to work in a team and independently.
- You have communication skills.
- You are fluent in spoken and written English.

We offer:

- Interdisciplinary team of architects, engineers and artists
- Well-equipped model building workshop and Photostudio
- Flexible working hours
- Opportunities for international collaborations within the project
- Central location as well as good accessibility (U1/U4 Karlsplatz)

To apply, please send us an e-mail that includes your CV (pdf format) and portfolio (pdf format max 20 MB), and within the email text please include a short paragraph (in English) that expresses your motivation. The e-mail can be sent to the project leader of the research project, Efstathia Eleni Baseta (efstathia.baseta@tuwien.ac.at). The application deadline is **July 7th, 2023**.

For further questions, please do not hesitate to contact us. More information about the 'Three-Dimensional Design and Model Making' Research Group at TU Wien can be found here: <http://kunst2.tuwien.ac.at/index.html>. We look forward to your application!

Our team aims to increase the proportion of women and therefore explicitly invites qualified women to apply. In the case of equal qualifications, women will be given priority, unless reasons relating to the person of an equally qualified competitor prevail.
